President Donald J. Trump
The White House
1600 Pennsylvania Avenue, N.W.
Washington, DC 20500

Dear President Trump,

I first want to affirm my continuing prayers for you personally, your family, and your administration. I also want to take this opportunity to let you know how much the International Christian Embassy Jerusalem appreciates your support for Israel and your stated intention to move the US Embassy to Jerusalem.

The ICEJ is the largest Christian Zionist organization in the world established in 1980, in Jerusalem, at the time of the mass exodus of embassies relocating from there to Tel Aviv. They did so in protest of the Jerusalem Law formally declaring Israeli sovereignty in all of Jerusalem and affirming it as the nation's capital.

The International Christian Embassy Jerusalem filled the void.

Since then the ICEJ has connected millions of Christians, churches, and denominations to Israel in friendship with acts of mercy and comfort to the people of Israel. From our headquarters in Jerusalem, the ICEJ now reaches into more than 140 countries with branch offices in 86 nations.

This year marks the 50th anniversary of Jerusalem's reunification under Israeli sovereignty and is the perfect time for the city to be recognized as the capital of Israel. We are therefore urging you to follow through on your campaign promise and announce your firm decision to officially recognize Jerusalem as Israel's united capital and to move the US Embassy there.

I have enclosed a strategy paper which outlines the ICEJ's recommendations for this historic move. Jerusalem's Jubilee Year is the right time to correct this historic injustice and your leadership will make it happen. We have already mobilized our branch directors in 86 nations to talk with their governments, because we believe other embassies will follow your lead. We also offer our help to provide grassroots support in these most-likely countries.

I'd be honored to discuss this in more detail. I can be contacted directly at: 240-888-2624 or at susan.michael@icejusa.org.

I make my request with deep appreciation and expectation,
